School Night for Scouting Joining Incentive

Each fall Scouting invites thousands of families to start their Scouting adventure and your Pack plays a key role in that process. This year’s theme of “Scout Me In” will be supported by internal and external marketing to make sure we reach all family interested in joining.

Your new scouts will be able to show their excitement about scouting from day 1. This year each new youth that joins till receive their first scouting t-shirt as a their incentive item... no fishing lures or rocket kits... but a Class B T-shirt to start their Scouting collection.
