

Application for Recharter Assistance

The Mid-Iowa Council has a long history of serving youth. Across our twenty-seven counties we serve more than 5,000 members annually. Understanding that different youth have different needs, many of which are financial, it is important for us as an organization to do our best to help. No youth should be unable to participate in Scouting due to lack of funds.

After completing this request, it will be reviewed. If approved the Scout's family will be provided registration assistance. Approval is need based and the Mid-Iowa Council follows the Iowa schools free and reduced meals scale.
